

## Arden Shore Child and Family Services

### 2019 Evening of Elegance – *A World of Opportunity*

#### Sponsorship Opportunities

---

#### The 2019 Evening of Elegance – *A World of Opportunity*

The Evening of Elegance will take place on Saturday, September 14, 2019, at the renowned Sanfilippo Estate – a private home located in Barrington Hills – featuring the world's finest collection of automatic music instruments. More than 200 individuals from the Chicagoland-area are expected to attend the benefit, which will showcasing a sit-down dinner, silent and live auction, tour of the home and music room, and entertainment.

#### The Support

Our communities' future – our social and economic vitality – depends upon all children having strong relationships, a safe and stable home, and opportunities to thrive cognitively, socially, and emotionally. By serving as an Evening of Elegance Sponsor, your company will gain exposure across Cook, Lake, and McHenry Counties and be recognized as a dedicated partner who is helping to create a world of opportunity for children across Chicagoland.

#### The Impact

Last year, Arden Shore's dedicated team opened the door to opportunity for more than 1,400 children and adults through behavioral health and support services, prevention programs, a youth group home, and foster care. This remarkable work resulted in families successfully reunited, children building on their strengths to overcome behavioral and emotional issues, and parents learning new skills and strategies for managing a healthy home – helping children and their families make the most of their enormous potential.
